

## Loose Valley Care Home residents enjoy a Notcutts trip and fudge making

### Trip to Notcutts

On Tuesday 21 November our Loose Valley Care Home residents very much enjoyed a trip out to our local garden centre, Notcutts.

We took **Evelyn, June** and **Ada** to have a look at all the Christmas decorations and do a bit of **Christmas shopping**. We also had Ada's daughter and granddaughter come along too.

We wandered through all of the **Christmas displays** and made our way to the **café** where we had tea, coffee and cake, plus a good old chit chat of course! *Everyone had a great time out.*

## Fudge fun!

On Thursday we tried our hands at **making chocolate fudge**. Evelyn and Joy got stuck right in as it takes a lot of muscle to get the mixture into a dough!

We rolled it out, cut it to size and left it to set. *We can't wait to see how it turns out as it's looking like it will be a winner!*
