

Loose Valley Care Home residents enjoy a virtual stay in Paris

Our residents at Loose Valley Care Home were treated to a luxurious stay in Paris on Tuesday 8 June, as part of our **Around the World with Nellsar Cruises** armchair travel experience.

They arrived at a wonderful patisserie alongside the **Eiffel Tower** no less and we enjoyed taking photographs of the views!

We hosted a **French quiz** and **fascinating facts** session in our garden under the watchful eye of the sun which was good fun.

Everyone then ventured into our **French Patisserie** for some wonderful French desserts; **Mille Feuille**, **Frasier** and a **classic crème brulee** – *triple yum!*

After the events of our day we will be fluent in French in no time! *Fantastique!*

Our amazing French desserts!
