

Loose Valley Care Home residents enjoy a visit from Sven

This week at Loose Valley Care Home, we had a visit from an amazing Bernese mountain dog named Sven.

Can you believe, he hasn't even had his 1st birthday yet and is a whopping 39kg!

Everyone was so excited to see such a big, handsome dog; he was extremely **soft and fluffy**, so perfect to cuddle.

A few of our residents braved the slobber to give him a **cheeky treat** which he very much enjoyed. He made his way around to see everyone and made quite the impression as he was such a gentle giant and **a joy to be around**.

Our residents really benefit from animal visits, be they small or large! They always bring out the smiles from everyone and spread the joy around our Home.
