

Loose Valley Care Home residents enjoy Bingo and bunny cuddles

Our Loose Valley Care Home residents enjoy a game of Bingo, so we hosted a game last week, only to find that numbers 16-30 were missing and we had doubles of 1-15, so we'll make sure we write on the extra balls with the missing numbers next time!

Our gorgeous **rabbit** came in for cuddles too. She is six months old and such a pretty girl, with lovely soft ginger and white fur. She sits so beautifully on our residents' laps and they love stroking and making a fuss of her.

We've been deciding what to call her and her brother; we have come up with **Peter Rabbit** and **Cotton Tail**!
