

Loose Valley Care Home residents enjoy creative and music activities

Arts and crafts

Our Loose Valley Care Home residents have recently enjoyed getting involved in the preparation of events we have coming up.

We spent some creative time making **decorations** for up-and-coming **St Patrick's Day** this week, when everything will be dripping in green! We have also been getting ready to celebrate our ladies on **Mothering Sunday** this weekend.

Music

We also organise **regular entertainment** for our residents, as they all really enjoy music and it gets everyone together for a good old singalong!

Recently, we've welcomed **Phil and Cathy** who come from our local church, and also musicians **Rob and Andy** who we all think are fantastic and really get our residents moving and singing. *Good times!*
