

## Loose Valley Care Home residents enjoy Millbrook Garden Centre

On Monday 31 October our residents Evelyn, June, Marjorie and Steph spent an afternoon at Millbrook Garden Centre enjoying a delicious cream tea, a good browse around all the plants and a spot of early Christmas shopping.

Accompanied by Paula, Charlotte, Hayley and David (one of our lovely volunteers) our residents made the **short minibus trip** to the local Garden Centre and headed to the **café** to relax with a selection of sandwiches, cakes and scones, plus teas and coffees too.

After the **cream tea** they all went to do some **shopping**; each resident bought either a few Christmas cards, chocolates, presents or decorations for their rooms.

We looked at the **wide variety of plants** and they also had all their **Christmas decorations** up and ready which made the whole place very magical, with bright lights and a forest of Christmas Trees all decorated in different colour schemes.

*It was lovely to get out and about and have a little taste of some early Christmas sparkle!*
