

## Loose Valley Care Home residents enjoy music with Phil and Cathy

**We were thrilled to welcome husband and wife performers Phil and Cathy to Loose Valley Care Home recently.**

**Phil plays the keyboard and Cathy sings** and gets everyone involved in their music. The couple are from our local church and come in every few weeks to the enjoyment of our residents; they are very popular here and everyone loves them.

They bring with them printed **song sheets**, which are different each visit; we sing one verse through twice and it works so well. Everyone sings along with added bells to make some instrumental sounds! We always look forward to their visits and we get quite the crowd for them both.

*Thank you for coming Phil and Cathy – look forward to another visit soon!*

Our residents love to join in
