

Loose Valley Care Home residents enjoy shopping and cafe trip at Notcutts

On Tuesday 7 March a group of our Loose Valley Care Home residents enjoyed a trip out to our local Notcutts garden centre and shopping village.

We took the **minibus** from our Home, with residents June, Ada, Steph, Evelyn and Phyllis, our Home Manager Diana, our Activities Team, plus a lovely volunteer and family member.

We enjoyed a short walk through the outside section before heading inside to get warmed up! There are lots of **shops inside** and Steph is an avid shopper, along with June and Phyllis who spent some time choosing some new shoes, as others had a look around the aquatics shop.

Ada bought some new artificial flowers from the gift shop for her room, before heading along to the **café** where we all enjoyed a hot drink, cake and a good old chit chat.

We had such a lovely morning together and look forward to our next outing!
