

Loose Valley Care Home residents make birthday cards for Daphne turning 100 at Woodstock

One of our other Nellsar Homes recently asked for us to make some birthday cards for a lovely resident, Daphne, turning 100 with them at Woodstock Residential Care Home; they wanted to see if they could get 100 cards delivered for her special day.

We were more than happy to get involved, so set to work and made quite a few!

Everyone was very happy with their **creative and colourful cards**, and we got them straight in the post!

Ours were some of the **345 cards Daphne received on her birthday** in the end – *how wonderful!*

We're glad she had such a special day.
