

Loose Valley Care Home residents meet The Magic Man

On Wednesday 27 June we were joined by 'The Magic Man' at Loose Valley Care Home for an afternoon of wonderment!

Our residents joined in with the act and clapped with delight as the brilliant magician wowed them with his magic tricks.

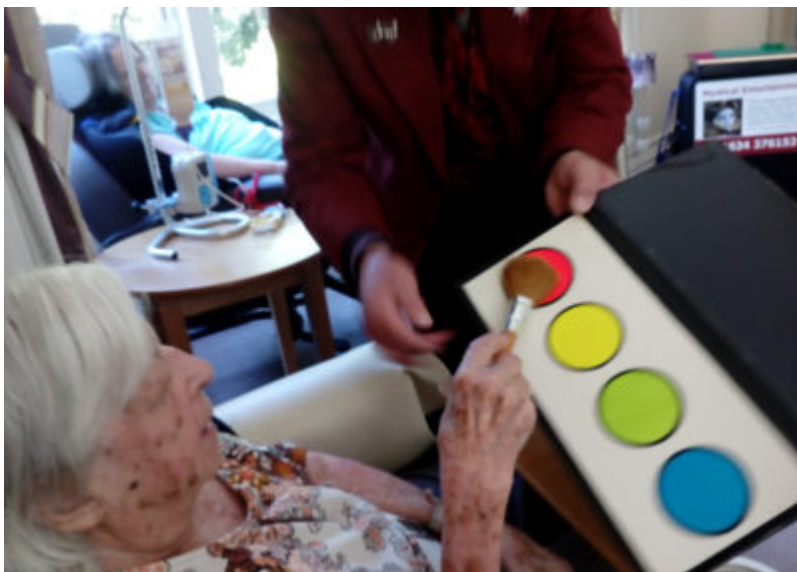

Just as our ladies and gents thought they had sussed the magic out they would be left guessing at how it was done again!

Everyone really enjoyed the show and being part of it, but the main highlight was when 'Houdini the rabbit' made an appearance.

A fantastic afternoon's entertainment, leaving us all believing in magic!
