

Loose Valley Care Home residents take a trip into Maidstone

This week at Loose Valley Care Home we took a taxi into Maidstone town centre with two of our residents.

Our residents wanted to be in some **hustle and bustle of town life**, so off we went!

We had a wander down the high street and found a **lovely café where we stopped for tea, coffee and cake**, taking everything in.

We then did a **spot of shopping**; *well Bob did a lot of shopping!*

Once we were shopped out we had one more stop for a drink before hailing another taxi back home. *It was a lovely morning.*
