

Loose Valley Care Home residents visit Friars Market

Here at Loose Valley Care Home, on Saturday 23 November, we took two of our residents on a festive outing in the Mini Bus – to the Friars Christmas Market to look around all the craft stalls.

It was so lovely – we enjoyed a cup of hot chocolate and bought some handmade Christmas decorations – *all so pretty!* We booked into Papa's Fish Barn for 1pm where we enjoyed a perfect fish & chip lunch. What a wonderful day we had.
