

Loose Valley Care Home says a fond farewell to Ann Franks

For 29 years, staff at Loose Valley Care Home have had the privilege of working with Ann Franks.

Ann started with **Loose Valley** at the age of 14 and has always been hardworking, with a smile on her face or cheerful song.

She has brought so much happiness to our **Home** and will be truly missed by us all.

A loyal lady with a beautiful heart - we thank you for all that you have done in your many years of service.

Wishing you all the best for the future Ann.
