

## Loose Valley Care Home welcomes baby tortoises

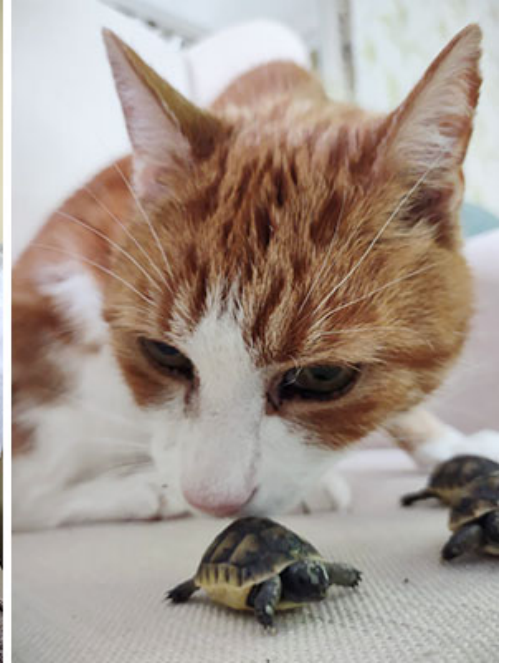

**We are very excited with our tiny new arrivals at Loose Valley Care Home!**

**Little tortoises**, hatched from eggs with the help of our Head Housekeeper Debby, are such a welcome sight!

Paula took three at a time around to see our residents for a little **pet therapy visit**. Everyone thought they were so cute and so little!

Even our cat Billy got introduced to the babies – he sniff-tested them and couldn't make out what these tiny, wriggling creatures were. *So funny!*

Making friends...
