

Loose Valley Care Home welcomes Jasmine Kittermaster

Jasmine wows her audience with jazz and soul sounds

On Friday 13 July we were delighted to welcome [Jasmine Kittermaster](#) to Loose Valley Care Home with her Jazz and Soul Show.

Our residents were captivated by her performance and sang, clapped and danced to songs from Bobby Darin, Frank Sinatra, Ella Fitzgerald and Nat King Cole, to name but a few!

We always enjoy the interaction and fun Jasmine brings to her performances - it makes her a firm favourite here at **Loose Valley!**

We look forward to seeing her again soon.
