

Loose Valley Care Home win The Most Heart-warming Trolley Award

The Recreation & Well-Being team at Loose Valley Care Home (Paula and Hayley) were chuffed to receive a visit from Viv Stead (Recreation & Well-Being Manager) this week.

Viv popped by to present them with their 'Tart Up Your Trolley' competition winners' certificate, £50 garden centre gift vouchers and a bottle of bubbly – *well done ladies!*

All 13 **Nellsar Care Homes** entered the fun group competition to 'tart up' their activities trolleys with any theme they wish. **Loose Valley** won **"The Most Heart-warming Trolley"** with a wonderful photo collage of their residents and tailor-made hugging hands with special messages for each of their ladies and gents.

Paula said, "A big thank you from me and Hayley, much appreciated!"
