

Maria celebrates 25 years of service at Loose Valley Care Home

Care Assistant and Nutritional Champion Maria has been with the Nellsar and Loose Valley Care Home family for a grand total of 25 years!

What a fantastic achievement! We know she has worked very hard for this accomplishment and we all truly appreciate her being such a **valuable member of our team**, applauding the determination and effort she has demonstrated during her many years of service.

As part of her anniversary celebrations, we were treated to take away pizzas, Japanese noodles and vegetarian treats, and **Maria was presented with a beautiful cake** made by Dee.

She also received a **stunning flower bouquet, bottle of brandy and jewellery, plus a certificate for her achievement** – *and we all enjoyed celebrating with her!*

Congratulations Maria – thank you for the wonderful care and attention you give to our residents.
