

Marjorie celebrates turning 101 at Loose Valley Care Home

Our lovely Marjorie celebrated a very happy 101st birthday with us on Sunday 30 January at Loose Valley Care Home.

Her **son Laurence came to visit with his wife Kay** and bought in a **wonderful chocolate cake**. She was so happy to see them and enjoyed a good chat.

During the day, Marjorie played her favourite game of **Scrabble**; she is known as '*the Queen of Scrabble*' as she is pretty good at it and usually comes top! Her birthday was no exception and she beat three other players including Paula from our Recreation and Well-Being Team!

Our birthday girl received lots of **birthday cards, flowers, chocolates** and **two birthday cakes**, no less!

A slice of cake and coffee was in order at 3pm, when she said she didn't know which one to choose! Have a slice of both we said – *go on, it's your birthday!*

Many happy returns Marjorie - we're so pleased you had such a special day!

Marjorie loved both her birthday cakes!
