

## Marjorie turns 100 at Loose Valley Care Home

**On Saturday 30 January we were excited to celebrate our resident Marjorie's 100th birthday at Loose Valley Care Home.**

She received lots of beautiful cards, including a special **message from the Queen** – *she was rather thrilled by that!*

She was also delighted with a gorgeous **bouquet of flowers** and a **delicious birthday cake** made by our Chef Glen.

Marjorie really enjoyed her day and said that although it's a milestone she's reached, she doesn't feel any older!

*100 year young Marjorie!* We're so pleased you enjoyed your very special day.

Lots of love from us all at **Loose Valley**.
