

## **Music classics with Rick Stills at Loose Valley Care Home**

**On Monday 13 July we welcomed entertainer Rick Stills to Loose Valley Care Home to perform for our residents from our garden.**

An accomplished musician, Rick played the **guitar** and sang a wonderful repertoire of songs, including hits from *The Shadows*, *Cliff Richard*, *Chas and Dave*, *Billy Fury* and, a particular favourite, 'Ernie (*The Fastest Milkman in the West*)' made famous by *Benny Hill*.

He also sang Dean Martin's '*That's Amore*', when we all swayed our arms in time with the chorus.

We all thoroughly enjoyed Rick's music and we're pleased to say he's due back again to **Loose Valley** in September.
