

Musical Bingo at Loose Valley Care Home

Last week we enjoyed a game of Musical Bingo with our residents here at Loose Valley Care Home.

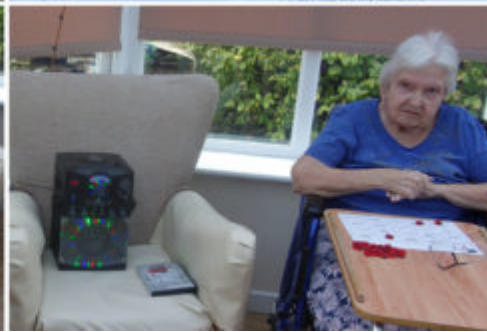

We played **40 different song tracks**, each about 20 seconds long, including old sing-along songs, hymns and Christmas tunes too.

Players used red glass beads on the printed Bingo sheets to mark off their songs. This was instead of using a pen, so we can reuse the laminated sheets with all the tracks on again in future.

Everyone really enjoyed this fun version of the game, as we all love music!
