

## Musical bingo fun at Loose Valley Care Home

**We enjoyed a game of musical bingo with our residents on Wednesday 11 March at Loose Valley Care Home.**

Musical bingo works in the same way as traditional bingo, but with musical song titles instead of numbers on the bingo cards. When you hear a tune, you cover it on your card with a glass bead – great fun!

Our ladies and gents really liked this different take on number bingo and we had a great atmosphere, as we listened to the different pieces of music.

There was chocolate for everyone, not just the winners! One of our ladies doesn't eat chocolate, so we made sure we got her some bananas, which are a favourite of hers.

*We all had a super time!*
