

## **Musical entertainment and birthday fun at Loose Valley Care Home**

### **Andy Mace**

Last week we welcomed back a firm favourite to Loose Valley Care Home – singer **Andy Mace**.

Live entertainment is always a big hit here with our residents and Andy definitely hits the mark, always getting everyone **singing along** and involved.

He looked very smart in his suit, serenading everyone in our conservatory. *We can't wait to have him back again soon!*

### **Gwen's birthday**

On Wednesday 10 April we hosted Gwen's birthday, when she **celebrated with her family** and other residents.

She had a **lovely birthday cake** which was shared amongst our residents for afternoon tea – and went down a treat!.

*A very big 'Happy birthday' from all of us at Loose Valley!*
