

Pancake fun at Loose Valley Care Home

Here at Loose Valley Care Home, we got really involved celebrating Shrove Tuesday this week!

After all our lovely residents ate their lunch, everyone had a **wide choice of how to have their pancakes**; we had traditional lemon juice and sugar, along with fresh fruit, cream and chocolate spread to choose from.

Afterwards **everyone put their best flipping arm forward** and we all had a go at flipping some handmade pans and pancakes – *with lots of laughs along the way!*

We then tried our luck at some **themed bingo**. It was a very close match as we have some serious bingo-ers here!

We do love to take any chance to celebrate with fun and games whenever we can.
