

Paulette celebrates 100th birthday at Loose Valley Care Home

Our lovely Paulette celebrated a grand 100th birthday on Wednesday 27 July here at Loose Valley Care Home.

We invited **Kevin Walsh** in for a special birthday treat, two days before, to sing lots of her favourite songs, which she loved!

On her birthday, **her son Colin came with his wife and two grandsons** and they spent time in our lounge with her, giving her **birthday cards, a beautiful bouquet of flowers and presents.**

Our birthday girl also enjoyed **two birthday cakes** – one delicious chocolate one from her family and a pretty iced one from us all at **Loose Valley** – and everyone sang to her.

Many happy returns Paulette – we're delighted you enjoyed your very special day xxx
