

## Pebble painting at Loose Valley Care Home

On Wednesday 15 July we painted pebbles with two of our residents at Loose Valley Care Home.

We bought some **white pebbles** from Holland and some **acrylic paint pens** for drawing on them, so we were all set!

We made a selection of **colourful bugs** and a rather **cute penguin**! We have put our creations outside our Reception and are looking forward to expanding our collection in future!

Our '*Bug hotel*' sign was looking a little drab, so we repainted this as well.
