Peter turns 100 at Loose Valley Care Home

On Tuesday 10 October one of our lovely Loose Valley Care Home residents met a huge milestone and turned an amazing 100 years old!

Peter has had a full life having been through the second world war in the armed forces. He also worked for Maidstone United and thoroughly enjoyed his time there – still talking about it often.

He loves to listen to his favourite musicians and songs and really enjoys chatting with our volunteer David.

Peter was blessed with a **lovely sunny day for his birthday** and was visited by friends and family. He received some **wonderful gifts** and a **beautiful card from King Charles and Queen Consort Camilla**.

His **younger brother Jack made the trip in for this special occasion**, with everyone singing a huge *'Happy 100th birthday!'* to Peter. He then enjoyed a slice of cake and a beer in the garden sun - what a way to end the day!

Happy centenarian birthday Peter, from all of us at Loose Valley and Nellsar!
