

## **Quilla the Cockapoo visits Loose Valley Care Home**

**Here at Loose Valley Care Home, we understand the importance of animal visits. They bring so much cheer to our residents here and really get everyone chatting about past pets and experiences, as we have many animal lovers!**

We have regular visits from wonderful Quilla the Cockapoo who is a registered **Pets as Therapy dog**.

She does her rounds and loves to say hello to anybody and everybody!

Quilla especially **loves to cuddle up** with residents like Molly, who always has an inviting fluffy blanket!
