

Remembering Maggie with flowers at Loose Valley Care Home

On Wednesday 8 March we took time to remember one of our beloved Loose Valley Care Home residents, the beautiful Maggie, who passed away recently.

In a touching gesture, **her family donated her flowers to us** to use – gorgeous spring blooms in lovely yellow and purple colours.

We spent time together making up multiple **eye-catching arrangements** to enjoy around our Home.

Dear Maggie will be missed terribly by our residents and staff alike; she **continues to bring us sunshine** in these beautiful displays.
