

## Residents enjoy Sing-a-long Sunday at Loose Valley Care Home

**Our Loose Valley Care Home residents enjoyed a 'Sing-a-long Sunday' on 28th February, with their host, Recreational Activity Champion Ella.**

It was a very coveted event, where everyone was keen to exercise their vocal cords, using our Smart TV and microphone!

Residents made requests for their **favourite tunes** from their childhood days and enjoyed refreshments together.

**Ella enjoyed singing tunes through the microphone** (even though she didn't know all the words exactly!) and everyone thoroughly enjoyed watching her **line dance** and improvising being a tree for Harry Belafonte's "Day-o!".

*Fun was had by all, although next time our residents have requested the refreshments be wine and not coffee!*

Enjoying a tune
