

Residents from Loose Valley Care Home visit Herne Bay

Some of our residents from Loose Valley Care Home enjoyed a jolly outing to Herne Bay together on Thursday 29 August.

It was a beautiful warm summer's day, without a cloud in the sky. The group strolled along the upgraded **pier** where there are shops, cafes and a fun fair.

One of our ladies fancied having a go at **hook a duck** and managed to get a prize - a bow and arrow! So next sports day we're going to have archery!

The day finished with **fish and chips** out of the box and ice creams.

We all had such a fantastic day and wanted to go again - so we have arranged another visit on 17 September with a few other residents. We can't wait!

Hawaiian party fun

We had a fun afternoon together on Wednesday 28 August when we hosted a Hawaiian-themed party.

Kevin Walsh entertained us with a set of summer songs and our ladies and gents enjoyed fruit **mocktails** of pineapple, orange and apple juices, complete with mini umbrellas and flowers.

We decorated with pineapple lights, flower garlands and even a cut-out of jaws, which was great fun for photo opportunities!
