

Rob T entertains Loose Valley Care Home residents

This week, we were delighted to have Rob T at Loose Valley Care Home performing one of his brilliant music shows.

Rob brought his ukulele along and everyone loved singing and clapping along to songs from Elvis, George Formby, Cliff Richards and Tom Jones - a fantastic showcase!

Rob was very interactive with our residents and enjoyed some good banter! We always enjoy seeing him with his enthusiastic personality and our ladies and gents love to reminisce with some of the older tunes he performs.

It was a great atmosphere during his visit and we look forward to his return very soon.
