

## **Royal Ascot fun at Loose Valley Care Home**

**Monday 15 June saw the start of Royal Ascot week and our ladies at Loose Valley Care Home got out their favourite fascinators to get into the spirit of things!**

We celebrated with a little tabletop horse racing and a quiz, which was good fun.

It was strange to see the '*new normal*' for Ascot, but it was nice to see the participation of viewers at home; our residents agreed that we will all have to learn and adapt to things following the pandemic.
