

Sherbet Dip performs at Loose Valley Care Home

We welcomed drag artist Sherbet Dip to Loose Valley Care Home last week and had a full house in our conservatory for his performance.

Sherbet gave an hour's performance and everyone thought his **voice was simply amazing**. He has had classical training and you can tell. *Not only that, but he got lots of compliments on his shoes and his hair!*

What a fantastic afternoon – we can't wait to have Sherbet back to do a bingo session for us.
