Sounds Revisited with Kelvin Lux at Loose Valley Care Home

We were very pleased to welcome entertainer Kelvin Lux to Loose Valley Care Home on Monday 21 January, when he came to perform for our residents.

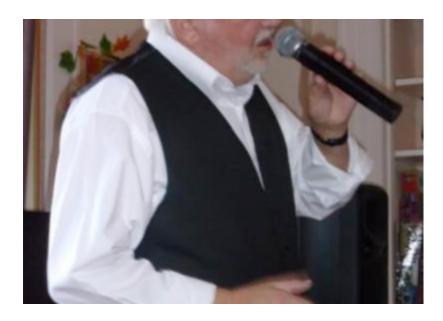

He entertained us in the afternoon with his 'Sounds Revisited' show, which featured a selection of songs from the 1950s.

Billy Fury, Elvis, Cliff Richard, Dean Martin... we all enjoyed the tunes and even had a go with the microphone ourselves!

We are welcoming him back at the end of March for a show entitled 'A Step Down Memory Lane'.
