

Steph sings the 60s at Loose Valley Care Home

We were excited to have some wonderful entertainment last Thursday 23 January, in the shape of lovely singer Steph Ticknell-Smith who came in to see us at Loose Valley Care Home.

Steph had such a beautiful voice and everyone enjoyed her hour of music from the 1960s when she performed songs by *The Beatles*, *Lulu*, *The Monkeys* and more!

Her songs were real favourites with our residents and we all enjoyed joining in with in the choruses!

Thanks for a brilliant show Steph!
