

Team Elf Challenge at Loose Valley Care Home

Unleash your inner elf!

The staff team at Loose Valley Care Home were feeling particularly festive on Tuesday 4 December, embarking on an Alzheimer's Society inspired team challenge - *"Unleash your inner elf"*.

We encouraged staff to dress up in colourful elf costumes and collect donations for the charity – all for a good cause and Christmassy fun too! Thankfully (*and hilariously!*) everyone dressed up and we raised **£22** – *every little helps*.

You'll see from the photos that it wasn't just the staff who got involved... our chicken and guinea pig dressed up too! It was great fun for all, especially the residents who also participated.
