

## **Tiger Primary School visit Loose Valley Care Home**

**On Thursday 13 February, we welcomed another group of six and seven year olds from Tiger Primary School to Loose Valley Care Home, to colour in pictures with our residents.**

The children were very chatty and their favourite thing to do is colouring in and being creative – it was so great to see them.

Previously, on Monday 10 February, another class from the same school visited the **Home** to help make Valentine's Day cards with our residents. Their teacher said they really enjoyed their morning out and meeting new people.
