

Tree presents at Loose Valley Care Home

Staff and residents at Loose Valley Care Home were utterly delighted on Christmas Eve when we were presented with wonderful gifts from Leah and Lyndsey – two Mums from children at the nearby Tiger Primary School in Loose.

The kind ladies decided to place a **Christmas Tree** labelled with names of **Loose Valley Care Home** residents, and the names of others from two other **Homes** in the community, into a local Sainsbury's store.

This meant that customers of **Sainsbury's in Loose** could pick a label with a name of one of our residents and buy a gift for them. Thank you so much **Leah and Lyndsey!** Our residents were surprised and amazed that a perfect stranger would purchase them a gift.

Nicki's Florist in Loose also sent the **Home** some wonderful table decorations of fresh flowers; these were gifted by **Lyndsey's Mum** in France as she wanted to make a Christmas contribution.

Merry Christmas everyone!
