

Valentines Day music and treats at Loose Valley Care Home

We celebrated in style this year for Valentine's Day here at Loose Valley Care Home.

We'd made lots of **handmade love hearts and love bugs gifts** for all our residents and transformed our conservatory with hearts galore, beautifully laid tables, and our **trolley all dressed up for the occasion.**

Everyone celebrated with a lovely lunch, surrounded by red roses, fizz and lots of love.

In the afternoon we welcomed **singer Jasmine** in to perform show songs for us and afterwards we had an afternoon tea with beautiful heart-shaped biscuits and cakes, whilst we chatted about how we met our partners.

What a wonderful day!
