

## **Wedding anniversary flowers at Loose Valley Care Home**

**Monday 4 October was a special anniversary for our lovely resident Barbara at Loose Valley Care Home.**

She and her husband Ron would have been **married for 69 years**, as their wedding was in 1952.

Her two daughters and son had a display of **beautiful autumnal-coloured flowers** sent to her to mark the occasion and she was overjoyed with them. Everyone admired the flowers as they arrived just before lunchtime.

We took them up to her later and placed them in front of her **stunning wedding photograph**, taking pride of place in her bedroom.

*Much love to you Barbara on this very special day from all your friends at Loose Valley.*
