

## Wedding flower arranging at Loose Valley Care Home

This week at Loose Valley Care Home we were lucky enough to be given some gorgeous wedding flowers from a local wedding venue, so we decided to get our green fingers out and make up some beautiful bouquets that our residents could have in their rooms.

We first took the displays apart and separated all the flowers and then helped our ladies choose which flowers they wanted, to **made up several vases**. Everyone commented on how lovely they smelled.

**June** made up a mini display in her giant teacup as something a little different, while **Doug** made up a bunch for his wife Irene, *how romantic!*

*Activities likes these help to create a sociable space for our residents and get peoples' creativity going, whilst also being great for the senses.*
