

## Wedding joy at Loose Valley Care Home

**Our Loose Valley Care Home resident Barbara's granddaughter Jude got married on the afternoon of Monday 4 April.**

Jude wed her groom Sam, and Barbara was able to **watch the whole ceremony online** via a whatsapp broadcast on our TV screen in the lounge.

To share her day was daughter Marion, who sat with her throughout the service. She said *"They were giggling so much, and I got a special wave from the bride as she approached the groom Sam!"*

The next day the family arrived at **Loose Valley** with the **wedding photographer** and they recreated the atmosphere for her with everyone dressing up again! Such a wonderful idea.

We can't wait to see the photos from the family when they are ready.

*Congratulations to Jude and Sam on their special day!*
